“ I am so sorry I missed this Audrey was a sweet dear lady. I'm sure God welcomed her with open arms. I have know her for a long time and knew her sister Sally. She would come to Valhalla when I was there and then I would meet her at Gents or she would just give me a call. I am so sorry for your loss. Kathryn Jarman

“ Audrey is in heaven, she was a great neighbor as well as a great caregiver for our family. The hours she spent with the VFW are more than you can count. The wife and I loved her and will miss her visits.

“ My husband and I will always remember Audrey as the sweet, mild mannered woman that she was. We first met her when she was a polling judge many, many years ago. As the years went by, my boys ended up mowing her grass for quite some time. We all thought a lot of her. She was a joy to talk with.

I had tried twice to take her some sweets at Christmas, but never could get an answer. I'm so sorry I did not get to see her one more time.

Sincerely, Beth and Charles Heintz

“ Audrey was always smiling and what a smile it was. She is the most beautiful lady inside and out. Not a day went by I didn't think about her. Audrey would always make sure you had everything you needed even if it meant she went without. My prayers to her family. I will always love you Audrey and miss our talks

“ I have known Audrey all my life. She would spoil me when I was weeks old. Her and my mom were best friends. They worked at the Glassworks together. Audrey would always visit and my told me how her and my aunt would hold me and spoil me rotten. When my mom died Audrey was right there making sure I was ok. After the funeral, and over the years to come she would call to check on me. We always exchanged Christmas cards. Then it all stopped and I did not know what happened to her. The would has lost a terrific lady. I loved her for being around. My love and prayers go out to the family. I'm so sorry I can't be there to say my last good bye. Her, my aunt and mom are together once again. Just so you know my mom was Mary Buis Hodge and my aunt was Vera Buis Wiegand.
