“ Classmate from kindergarten through high school. Many times I was mistaken for Barb especially by Msgr Suddes. Enjoyed our recent luncheons with the St. Pat's girls. Barb is loved and will be missed by many. May she rest in peace.

“ Barb,
I treasure that you were part of our family's lives for so many years. I will hold on to the countless laughs we had together, the amazing trip to Disneyland with our families in the 1970s, your amazing story telling abilities and your big heart. May you light up heaven the way you lit up our lives here on earth!

Much love,
Tim Arnold

“ So sorry Jenny & Michelle for your loss. Barb & I had much in common. Were both born
on same day (year apart), both went to St Pats & Marquette, & we both grew up on Brown St. two blocks apart. She and Mike were great people and will be truly missed. Paul & Barb Lanzerotte.

“ Ms. Barb was such an awesome person. I've been blessed to have known her for 23 years. We had a friendship that was more like sisters. She was such a generous ,kind and loving person. Always taking care of others. Always smiling. And she had so many witty comments and jokes that would make you laugh from deep inside. I look forward to seeing her again in paradise. I pray for Jenny and Michelle to find comfort during this time and to know that they too are loved by many.

“ Oh my, what a shock this was to see. Just talked to Barb recently. Although we are second cousins, our contact with one another was not as often as it should have been. What a wonderful lady, mother, friend, faithful person she was. Condolences to Michelle and Jennifer who have been through so much hurt this year. I pray that God will give you the strength to get through the days, months, and years of losing and missing your loved ones. I will miss her too.

“ Barb Malloy was a wonderful person and a great neighbor. We certainly enjoyed chatting with her when we took our walks. Bill fondly remembers changing the cast iron scraps for Mike's machine at the Owens Illinois mold shop when Bill was working there in the summers as a college student in the 60s. We will certainly miss her. May perpetual light shine upon her and may she rest in peace.
