They married in 1959 and spent a year as students in a third floor walk-up in Urbana. After her graduation, they returned to Alton for brief jobs in the St. Louis area. Bob got drafted and after basic training, was stationed in Chicago where Carole worked as a dean's secretary at the University of Chicago. After another brief return to Alton, they relocated to Columbus, Ohio where both worked for Ohio State University; Carole worked in the Vice President's office and developed a staff news letter. Their adventure continued in rural Ohio, outside of Lima where Carole enjoyed the pleasures of home making, gardening and the arrival of their daughter, Ann Margaret Thornberry. In 1972 they returned to Illinois to live in Riverton and to work in Springfield where the happy family welcomed the arrival of their son, Robert Cousley Thornberry. Carole worked at their children's school, Emmanuel Lutheran, as a cook and later as an office worker. The Thornberry family enjoyed traveling, entertaining friends and family, encouraging their son's passion for soccer and becoming members of a club soccer family. In 1995 Bob and Carole returned to Alton and purchased their forever home atop the bluff with an amazing view of the Mississippi River. Carole relished being home, her membership in the First Presbyterian Church in Alton, P.E.O. Chapter IL, the Jenny D. “ Carole was a wonderful person. I met her and Bob through a Christian group which supports Christians in living life as Jesus lives his. Carole certainly did that with joy. My prayers are with her friends and family. DeColores.
