“ Marilyn and Donald, I was so sad to hear of the passing on to heaven so soon after my mom passed Mary Elizabeth (Betty) Wuellner on April 24th, 202 at San Gabriel Memory Care. They were so close in age, I remember when we were growing up just spending time in your Dad's store running around probably getting into trouble. And your Mom and Dad just having good conversation and most of the time they would just ignore what we were doing. Probably just getting into trouble. With in the last years there were many times when Mom mentioned stopping to visit to see Dolores, but she just wasn't felling well enough to visit. It is never easy to loose a parent. Now they are getting to visit all the time with their family and friends! I will keep her in my prayers as I pray for my Mom.
