“ Don was a great colleague and friend at Kirby Junior High. He also mowed my lawn for several years. He was always friendly and don't know that I ever heard him speak ill of anyone. While I haven't seen him in several years, I know that lots of folks in his life will miss him.

“ Don was one of the original owners in our subdivision ,Harmony Hills in Bridgeton. Shortly after the establishment of his lawn care business he began maintaining the subdivision's common ground areas. Kept everything looking great for all these years at very modest cost . Don would always make time to talk and I never saw this man without a smile on his face. A real pleasure to know. Don's white Ford diesel truck slowly chugging up our streets was a mainstay. As a great neighbor and friend he will be remembered and missed .

“ The nicest guy I've ever come across in my life. A real gentleman who would do anything for anybody. I will miss him dearly. Rest in peace my friend.
