“ Words are difficult to find and express our deepest sympathy on Tom's passing. We are so grateful that Tom was a part of our lives. He was such a kind, thoughtful man .. generous of time & spirit. We will miss him very much. SO many vivid childhood memories flood to my thoughts - mostly of Tom & his ever present movie camera with those BRIGHT Hollywood caliber Klieg lights catching every chaotic, funny “natural” moment. Tom was an extraordinary gift to all of us! We share in your sorrow and will always remember this wonderful, genuine and full-of-life man who was respected, admired & oh, so greatly loved. All of our family sends their love & prayers, Karen (Schulz) & John Wallace & family.

“ Will miss Tom greatly, his great sense of humor and storytelling. We go back to when he came over from AMC and switched to Chrysler. I helped him learn Chrysler ways of business. He was a great friend and I will miss him very much. Especially my Automotive news he would save for me!

“ I won't soon forget how much Tom meant to my dad. In Dad's last days, Tom and Barbara and Tommy made a last-minute trip to Nashville. When Tom came in the doorway, Dad's face lit up. Dad couldn't call Tom's name, but he came over to Dad's chair and just clasped his hands. It was the culmination of a lifetime of shared visits and common memories and so much devotion. It was so moving as to silence the room. We should all be so lucky to have a Tom Acker at the end of our roads! Thank you, Tom, for all you've added to our family. Mary Grace and Vince Sabol

“ A man of and for all seasons. Kind, generous, witty, caring, sincere, loving, dedicated to family, faith and friends. A gentle giant of a man who has earned his place in God's company. My spirit and love will be with Barbara and family in sharing our loss but celebrating the blessing of having had Tom in our lives.

“ I will never forget Tom sitting at the dining room table of my parent's house in Springfield helping my sister Mary order her custom Gremlin with the Levi jeans seats! I benefitted because when she got her new car I got her old car! He worked with her trying to get her the best deal. Through the years he often gave my husband and I advice about the Chrysler mini-vans. He was very good to my parents and he and Barb always made the extra effort to visit them and be at every big family function that was held anywhere, if at all possible. I have good memories of playing with Ann and Tommy. Tom and I both loved Gabitoni's pizza in Springfield. Whenever I was back "home" from living in Chicago or the Atlanta area, if possible I wanted to get pizza. One time we went in and there was Barb and Tom- they had made a trip up just for dinner! Kind, smart, funny- genuine, and loving. I know I'll always have to catch myself at future family functions because I'll be looking for Tom.

“ When Cousin Tom was around I followed like a little puppy. He was the big brother I never had, always wanted and I idolized him. There was always a twinkle in his eye whenever he played a trick on me, and there were many. But, no matter. I never wavered in my love for my “big brother” and will always have wonderful memories of him.
