“ So sorry for your loss. Wilma was one sweet lady .Have many fond memories of her she worked at my parent's cafe.And was good friends with them.(Rives Cafe). Her and Leonard where quite the pair.Really enjoyed them.My dad always teased her about being from Green Onion Arkansas! She was a great cook and made some of the best birthday cakes I ever had. She will be missed but she was one of them people in your life that you will never forget.My prays are with you all. So sorry for your loss. Donna Reynolds(Rives)

“ I first met Wilma when by husband worked on Lt. Scheibe's shift. A couple of times on their long change a bus I think was rented, we all went to a dinner theater. Of course Wilma was along. Then years and years later we saw them both at a Policeman's Ball. We were at different tables so only walked over to say hi. A few more years later after God took the Lt. home there was another Policeman's Ball Jim & I attended. We were at a table w/couples of retired men we knew. There were 2 seats left, in walks Susan w/her Mom, they sat w/us and it was the first time she & I were able to have a real conversation. I'd just re-connected w/Susan & we'd had

lunch together a couple of times. Then comes FB but Wilma wasn't on much. Susan & I talked all the time, a lot of our conversations were about her Mom. I got to know Wilma in yet a different way. All in all I am very happy to have been a small part of her life. I am happy for her that God has healed her and on the same death date as her son! I love you Susan. Still keeping the prayers going.

Love your oldest "sista",
