“ Adele was the most wonderful sister and friend imaginable. 18 months older than me, she was the perfect example to follow. She lead a Christ-like life of love, compassion, humility, and selflessness. Adele invited Jesus into her heart and life when we were young and relied on her faith in the best and worst of times throughout her life. Adele's faith, family, and friends were great sources of hope and strength during her valiant battle with cancer. We have volumes of precious memories and Adele will never be forgotten. We love you Adele and will see you again in Heaven one day. Praise God for his gift of eternal life through His son Jesus Christ.
