“ To the Collier family: Albert was one of my all-time favorites at TWA. We played a lot of softball and basketball together...competitive. He was fun to be around. Always had a smile when he saw you. He was ready to introduce Debbie to everyone who didn't know her. A true Kentucky Wildcat fan...and was quick to tell you. We will keep you in prayer for comfort during this most difficult time.

“ We were newbies when we bought our first boat (docked it at the Alton Marina) and Albert being Albert never met a stranger. He guided us and soon thereafter we knew we had friends in he and Deb. I can't remember a time when he didn't greet us with a smile. Albert was good people. He will be missed. Our sympathies go out to Debbie, Justin and Albert's entire family.

Gods peace to you Al.

With love,

*Buddy and I were so sad to hear of Al losing his fight. We have such great memories of all the fun times at the marina, on the river and in Florida. We were just talking about our river voyage bringing your boat back in the freezing rain when the vegetables were freezing in the Bloody Marys. We are going to miss Al's big smile and his kind words of "Bean", thinking he was really taking control of the situation!!! Praying for you and Justin at this most difficult time. Hold all those special moments close to your heart for comfort.*
