“ We are heartbroken to hear about the passing of Amanda. We only knew her through work, but during that time, we learned that she was a truly good person who always had our back. She saw something in us and gave us a chance when no one else would. I'll always be grateful for her trust and support. If she had such an impact on us, I can only imagine the positive effect she had on all those who were closer to her. Our deepest condolences to her family and friends.

“ I'm so sorry to hear of Amanda's passing. She was gorgeous and had a light up the room smile 😊. We always had so much fun at Alton High School. I ran into her a few years ago and we had a great time catching up. She will be missed. Rock on Amanda ❤️ !!

“ Bob, Kathy, Tracy and Bobby I am so sorry for your loss. Some of my favorite childhood memories are being at your house with all of us kids playing together while you and my mom and dad socialized (definitely not in the good living room!) She will be missed dearly and my heart is with you
