“ *I'm not great with words, and it's in moments like this I wish I was. I don't know how to say how much Amy meant to me, but it was a lot. Amy was the first person I met at Savvi, and she was so kind and fun to be around. I'll miss hearing her voice every day - and gossiping with her. I don't know how she tolerated my endless dumb questions (there were so many), but she did and she never made me feel bad about them. I'll miss sitting by the bonfire with you, and laughing as Terry and I made fools of ourselves at the bar. She really was a remarkable woman, and I'll cherish all the memories we had.*

“ *Andy, Mya and Drew,  
My deepest sympathy. Amy was always a breath of fresh air and beauty. All of my memories with her will cherished in my heart. She loved you all so very much and I could always tell how proud she was of her family. May you find peace in knowing she will always be in your hearts and she will always be watching over you.*
