“ *First neighbors then friends. Always friendly, always chill, always had a smile. He took great interest in his flower gardens that looked great. His garage floor looked like it should be in Car and Driver magazine. He is and will be missed! Chuck and Kelli*

“ *I worked with Andy for many years. He was a great guy and always talked about his family/kids. He had a great sense of humor and loved cars as much as I did. He will be sorely missed by all who knew him. Prayers to the family.*
