“ *Anne was kind and thoughtful. I knew her from Gabe, who was my sistet-in-law. I spent many memorable holidays with the family and Anne sent me a birthday card every year.*

“ So incredibly sad to hear of Anne's passing. I remember well our days working at Ursuline together - along with Gabe and Cathy, and all of us students. Prayers for all the family during this time of grieving.

“ Anne and I became friends when we both started Marquette High School our senior year. Changing schools at that stage is tough, but leaning on each other helped a lot. Anne was a very happy and positive person the spread joy and sunshine wherever she went. She will always be in my heart.

So grateful for the decades of memories. Every memory fonder than the next. Heartbroken you're gone but thankful you are not suffering. I sat on karas porch with Bodie a couple days ago and thought of you. A cardinal landed on the mailbox in front of us so I felt you visit us. Your family will be in my prayers. Rest In Peace my friend until we meet again.
