“ Tony was one of my best buddies during our time in the USAF. We served on a radar site situated on a 3x5-mile island in the East China Sea. I spent a lot of time shooting pool and playing ping pong with Tony. Sorry to hear of his passing.

“ Tony, I and marlene Cox spent many good days running all around southwestern Illinois especially in an old yellow world war II military jeep ! We really liked crossing wood river creek and running all over the hills along the creek. Thank Tony for your military service to our country !
