“ Ariana, you touched so many lives with your fire and sass. I am glad that you are no longer suffering, but your presence will truly be missed. I am so glad to have known you during your time on this earth. Your strength and your fighting spirit were so inspiring and I pray that it will live on in your baby sister.

Angela, you have my sincerest condolences. Thank you for sharing Ariana with us. <3

“ I have followed you two for awhile now. Something about Angela and Ariana just pulled me to them and made me to pray for them often. I am heartbroken but glad she's at peace now. She was mighty and clearly made a great impact on us all!

“ I know you don't know me but my granddaughter Ariana Mondin went to preschool with Ariana. It breaks my heart to think what you all have been through and are going through. I can't imagine a child going through all that. I am in chemo now for a curable cancer for a few more months so I know how brutal it can be. Please know that everything and everybody has meaning and a purpose. I pray that God can give you peace.
