“ Jeanette, I have been thinking of you for the last few days. You and Glenn were very much part of my life growing up. From the age of 9-12, I think I spent more time at your house than my own. I will always remember Glenn as the guy with the 300 game bowling, or the boy in the photo with my dad in Hartford, or the dad with the naturally white hair and the booming voice. He will be missed.

“ Jeanette, Glenn and you have always been such good neighbors. Glenn would see us outside working and he'd come over to visit awhile. We remember how he'd come over and help in our many projects. When our John plugged up there he was helping to figure out the problem. Now that was a GOOD NEIGHBOR! He even came over to help push our car and the next few minutes found him having to go to the emergency room for overdoing. Now that was a GOOD NEIGHBOR! For 30 years we lived across the street and for 30 years we knew Glenn to be friendly, kind and always helpful! We both smile when we remember his long, long time of digging a ditch around your house. He worked so long and so very faithfully till it was done! We watched these last years as David faithfully cared for his Dad. We both think he learned that caring and faithfulness from Glenn! Know that you and your family are in our thoughts and prayers.
