“ *My sincerest condolences and prayers go to the entire Engdale family during this time of grieving of your loss. Chuck was the kindest and most thoughtful guy I have ever known. His contributions to the LCRC will never be forgotten. He will be missed by many during our annual Field Day events. Chuck, and son Danny, maintained our emergency generator(s) day and night during those events so we could operate our radios continuously in simulated disaster communication exercises.*

I hope you will take comfort in knowing Chuck will always be known as one of the finest and exemplary ham radio operators of the LCRC.
