“ *Barb and I worked together in the mid 90's , she was a client of ours, I handled the Argosy Claims account while working at Zurich Insurance. Barb was a true professional but also a kind, compassionate and super friendly person. I always had the utmost respect for her because I always felt that her strength and happiness in life always came from her faith in God and her love for her family. I admired this and I believe I am a stronger person in life because of her. God Bless Barb and her family. So sorry.*

“ I'm so sorry for the families loss. I'm sitting here with a broken heart. Barb was a beautiful woman. I think everyone who knew her knows she loved the Lord and shared it with others through her beautiful song. She was a long-time lunch buddy of mine while we worked at Argosy and we became close friends. We laughed and share lots of great stories of our youth. On a beautiful day, I can't help but think of Barb because she'd often say "It's a beautiful out, we should grab a quart of beer and drive up the River Road." I'm gonna miss that girl.

“ Sarah, Ann & Alex, and family, my deepest sympathy on the passing of Barb. She was a beautiful person inside and out. She had a beautiful soul that shone through every time I saw her. She had a beautiful voice that expressed her love of God. No doubt she has joined the heavenly choir of angels in heaven. May she be granted eternal peace and joy with our heavenly father. I will miss her.
