“ Mrs. Bentley was a phenomenal kindergarten teacher. As one of her students at Mark Twain Elementary, I can confess that she was objectively and subjectively my favorite educator during my K-12, AAS, BS, MS, and Doctoral program experiences.

I graduated Alton High School in 2002, but always reflected on the impact she made my first year of school as a kindergarten student of hers.

Her heart, mind, and passion for true education has guided me throughout my personal and professional career.

Sending love to her, her family, former students, and my classmates at Mark Twain Elementary School.

Respectfully submitted,

Dr. Christopher E. Reynolds, Sr.
