“ *Daddy,*

I love and miss you more and more each day. This just doesn't seem like it could be really. Life just won't be the same knowing I will never hear your voice on the other end of the line. I know you're in God's hands and he's taking good care of you. I love you with all my heart and I'll always be your baby girl. I have some peace knowing my daddy is now my angel watching over me for the rest of my life.

I just love you so much xoxo
