“ Dear Julie and Janet, What a beautiful Mass for your Mom. The songs were so moving and the Cantor’s voice was sublime.. your Mom would be, and I’m sure is, very happy with the service. The priests talk of her devotion as wife and Mother was spot on.. I wish we could have attended but Covid rules now.. I am so happy as Mary Ann said that we were able to have such a nice visit with her a few years ago.. we had a lovely day reminiscing photos and stories and a lovely lunch and drive with her favorite songs playing. She became that young woman your Dad married. I always admired their devotion to each other and it gives me great comfort as I’m sure you too that they are together again forever..

Amid these strange times with Covid you girls did a beautiful job. She loved you and her grandchildren so much.. you were truly blessed to have had her.. And she you! How proud she must be of her girls.. Love and our deepest sympathy, Rose and Roger Tubbs

“ Julie and Janet,  
We watched your Mother's beautiful funeral Mass and share your sadness. She was blest to have you daughters and your Father in her life. As her cousins, we were also blest and will miss her. God bless her family.

“ Julie and Janet,

*I am so sorry to hear of your mom's passing. I have many great memories of her and your dad. Robert Drive was a great place to grow up and people like you mom and dad were a big part of what made it special. I will remember all of you in my prayers.*

*Best regards,

“ *My most recent memory happened a few summers ago when Rose and I visited Bernice at her home in Godfrey. At that time she was exhibiting signs of Alzheimers. We took her out for lunch at "Josephine's" restaurant and spent a very pleasant afternoon with her. On the drive back she began singing along with a CD that was playing of Tony Bennett singing "Because". She had every word down pat and we sang it several times. She told me how much she loved music. Later when she moved from the nursing home in St. Charles to Godfrey we spent a day together, singing along to music videos of the old favorites and little dancing. That was a very special day, one I'll always remember.*
