“ My grandparents (Amiel and Allie Krueger) lived in Wood River, Illinois. My grandmother told me about caring for two little boys, Mike and Stevie Dolan, who lived across the street from her and whom she loved very much. My grandparents died in 1987, but I cherish their memories. May your memories make your grief easier to bear.

“ You all have my heartfelt sympathies at this emotional time. Bert was special in my younger life. I have many happy memories of playing at her house with Pat and yummy meals with the family. She was my other "mom" and will always have a special place in my heart. You are in my prayers.
