“ *Jeanne,
All my love prayers and Gods comforts sent to you all at this difficult time. I had many great moments with you and at your families house. Wish I could be there for support, but at this time Christ is a stronghold of comfort and guidance. Love your friend lori*

“ *I am so sorry for your loss. Mark, as you know, going to your house was always a blast :-). Sneaking over to your house was one of the best things I remember about growing up. I had a lot of "firsts" at your house (we won't go there) lol. Your mom was always a great lady that put up with a basement full of ornery teenagers. I'm pretty sure she hid wings under her clothes and a halo under her pillow, if not she most definitely deserved it.*
