“ *Bev I can't believe you left us. My heart is so very sad. I just started looking for your winter place here by me. Memories I have so many but one of my most fond is you and I sitting on my back porch 2 yrs ago just enjoying the morning. You look over and say "gosh Ronna this is like staying at a resort and your mom would love it". You always were a BIG part of my family and you will continue to be in my heart and memories. I am so glad I talked to you 2 weeks ago and said I love you. I love you Bev please have a great time with my parents in heaven.*
