“ Beverly and I shared the same birthday. You could never meet a sweeter lady. She was intelligent, engaging, and loved to keep up on current events and the politics of the country and discuss them with you. I also was able to have a series of Bible studies with her at Tom and Jamie's home along with several others from our church on the books of Daniel and Revelation. She was fascinated by the prophecies and was contemplating baptism but think she just never got around to it. Beverly will be missed but we shall see her again when Jesus comes back to take us all home.
Sincerely, Mitch and Diane Westbrook

Beverly was a sweet lady. Whether it was always running into her at TJMax or at her residence at Jamie and Tommy's home, she was always happy to see me and we had great conversations!! She loved when her children, grandchildren and great grandchildren visited. I've met her before but in the past 8-10 years I really got to know her. She was a great support for me during difficult times. I only hope I can have the energy and stamina that Beverly had. She will be missed and the Wunderlich home will not be the same without her!!

Dennis and I want to express our deepest sympathy to the "Stone" family. For 50+ years their family home has been part of our neighborhood (We still have Kelly and Gordon and are so glad!). Scott is Mark's age and spent countless hours together growing up, and the girls babysat for us occasionally! Your whole family will hold a special place in our memories!
