*I only have a picture now,
A frozen piece of time,
To remind me of how it was,
When you were here, and mine.*

*I see your smiling eyes,
Each morning when I wake,
I talk to you, and place a kiss,
Upon your lovely face.*

*How much I miss you being here,
I really cannot say,
The ache is deep inside my heart,
And never goes away.*

*I hear it mentioned often,
That time will heal the pain,
But if I'm being honest,
I hope it will remain.*

*I need to feel you constantly,
To get me through the day,
I loved you so very much,
Why did you go away?*

*The angels came and took you,
That really wasn't fair,
They took my one and only Son,
My future life. My heir.*

*If only they had asked me,
If I would take your place,
I would have done so willingly,
Leaving you this world to grace.*

*You should have had so many years,
To watch your life unfold,
And in the mist of this,
Watch me, your Mum grow old!*

*I hope you're watching from above,
At the daily tasks I do,
And let there be no doubt at all,
I really do love you.*
