“ *Dear Moore Family,*

*As a former band director at EHS, my thoughts go back to many parents who were very supportive of their children during the kids' involvement with the program. I haven't seen your father/husband for many years but he was truly a nice person, generous with his time, a positive influence, a person to be admired!*

*Our prayers and thoughts are with you now at this time of mourning. Greetings, condolences and best wishes to you all! We were out of town last Sat. or would have come to the service. Love and Blessings to you all,*

*Dick and Lynn Rogers*
