“ *Dera Reagan,*

*Sorry to hear of your passing. It was a privilege knowing you. I always enjoyed the moments of fellowship we shared over the years. We would gather to play cards, talk sports and life in general. The quality of your character always came through. God Bless YOU!*

“*Regan and I were good friends at Alton High, playing football together, hunting together and just hanging out together. Over the years, I have thought of Regan and other of our friends often. I remember his decision to go to Kansas State as I made mine to go to Vandy. We stayed in touch through college, but then lost contact. My thoughts and prayers are with all of Regan's family. He was a wonderful person.*
