“ Oh my goodness---I just received word about Carol today. I am just so so very sorry for your loss. I only knew her for 5 years, but I truly loved her, and was so disappointed when she retired. I made it a point to go to E. Jones on Wednesdays because I knew she would be there---you can't begin to know how much she helped me through a very nasty, hard divorce. She cried right along with me on several occasions. I will miss her terribly!!! I will sign the petition for sure. Again, I am so very sorry for your loss. She was a great friend to me, and I will remember her great smile.

“ I met Carol through Edward Jones. She was so much fun and I will miss her. I got to sit by her at several of our BOA lunches and dinners and it wouldn't matter if she had half of a meal or two bites of a sandwich, she always got a to-go box. I teased her once at Moonlight by packing up the bread and butter. She laughed and took the box and told me she was going to make toast for several days! Carol and I were planning a night out to Jazz at the Bistro. I am so sad we didn't get to make the trip, but I will go soon and make a toast to my beautiful friend Carol.
