On Saturday, April 8, 2017, Casey Allen Mullaney, 42, of Godfrey, IL went to sleep and woke in the arms of Jesus, his Savior. “ My wife Elizabeth and I are grieved to hear of Casey's unexpected passing. Our prayers turn towards his boys and his family left here as you all move forward from this tragedy. We pray that the almighty God would mend your broken hearts and comfort your grieving spirits. We ask God's protection, provision and guidance over his boys as they journey on in this life. We pray that JOY would replace the sorrow many feel in their hearts as we remember that God welcomed home one of his children after this hard fought race called life. Casey kept his faith and crossed the finish line to the cheers of those who have gone on home before him. We are thankful for the lives he touched on this earth and will forever miss his golden smile. May grace and peace rule in your minds, hearts and souls today and forever more. In Jesus name! Amen.
