“ Vince and Family,

*I am very sorry to hear about the passing of your Mom. I have very good memories of all the sleep overs and even baseball games she took us to. Sorting newspapers on your front porch and walking/riding our neighborhood. She was a very good woman and I am glad she was in my life.*

*I just heard about Cathy passing away, I am so sorry to hear about it! I ran into her and Brian in what looks like days before her death and she looked wonderful! I always loved seeing her at dad's office and have many fond memories of visiting her and Ernie on Liberty Street. She was a wonderful person!! May she rest in peace!! Sincerely, Linda (Maloney) Maurer*
