“ *My condolences to Chatty's daughters and family. I worked with her at St. Anthony's when I was a student nurse and then again as a new registered nurse. She was a good mentor, cared very deeply about her patients. I'm so sorry for your loss.*

“ *I went through all of public school with Charlene. She and many others of us enjoyed marching with the Piasa Indians in the early 60's. We all learned a lot about hard work, good times together and performing our best, and I have many fond memories of Charlene from those wonderful times. God Bless Charlene and her family.*
