“ *I remember grandma used to watch Chris when he was a baby. When I got home from school, he would be standing in his playpen. I would sing “ You are my sunshine”. He would laugh every time. I’m sure it was my voice he was laughing at, not the song, but either way, it was so sweet. His beautiful smile. He is now a bright, shining star in heaven.*

*♪♪ You are my sunshine my only sunshine. You make me happy when skies are grey. You never know dear how much I love you. Please don’t take my sunshine away♪♪
Love always, Ed and Rosie*

“ *I worked with Chris at Green Earth. And I am proud to say that he was a great person to work with. We talked about music, sports, family, and of course his electric bike. When you meet a person like Chris. You will always remember them forever. Till we meet again, my friend

So saddened to hear this news Mr and Mrs Brundis. I will always remember the good times of Bellefontaine Neighbors at the pool, his dog Cody and his red pick up truck with booming speakers. We had some good times. RIP Chris 🙏

My dad shared this news with me yesterday and I just wanted to send my love to you all. While I only knew Chris for a relatively short period of time early in my life, his playful energy stuck with me and I believe will carry on. In my deepest sympathy, David Deck
