“ *I got to know Chris again @ Enjoy Church in Alton,IL. after we all grew up together @ Holiday Shores, as kids. We all hung out together in those days. His older brother Mark was my best friend all those yrs. ago. Chris really looked up to Mark, & he loved him dearly, they even shared a really nice home together in Alhambra,IL. more recently.
Chris was a gentle & kind soul that would do anything for you.His spirit would reach out & grab you.....
he will be greatly missed, & always loved,

“ *We were not able to attend the services on Saturday but send our deepest sympathy to the family. My husband and I both worked with Chris at Basler and found him to be a very quiet and soft spoken person with a huge smile. He was so caring and always did his best to get his job done right. May you find comfort that we all will be reunited someday.*

“ *Many years ago I worked with Chris and also attended the same church. As others have said, he was perpetually cheerful, smiling, and positive. We need more people in the world like Chris. See you in the Great Beyond!*

“ *I remember Chris well. As others have shared, he always had a smile. He mentioned to me one time that he was going mushroom hunting. I said, I have always loved fresh fried mushrooms from the forest. He promptly brought me a huge bag, with many kinds of forest mushrooms, all neatly labeled and identified. See you in heaven. Sorry for your loss Grace. Know this..you did a beautiful job of raising him.*
