“ *I met Cindi in 1993, we worked at Village North Manor together, she was Weeman and I was Kramer. She was so much fun to be around and we always had a great time. I have only happy memories of my friendship with her. I am so blessed to have known her, it had been awhile since I had seen her but still remember her laugh and smile. I will miss her greatly. She is an angel in heaven and it brings me peace to know she watches over me. Bye Weeman, I love you. My sympathies to her family, you were always gracious to me when I was at the farm and it has been a pleasure knowing you.*

“Where do I start... I met her in 2005 when I began attending her church. We quickly became friends and as time went on, we became close friends. I called her my sister, and that's how I felt. She took me to places I had never been, Cataloochee, we fed the ducks and geese at the lake, and she fell in love with a very mean black swan. However, she soon made "friends" with him. LOL she carried more than a few bruises from him flogging her with his wings and blood blisters on her arms from his beak. She called him big, black and nasty. But before it was over she could wrap both arms around him, and he would lay his head on her shoulder. She caught a baby duck b/c I had never felt their feathers. I learned a lot about cooking, she learned some from me. I laughed so hard at her telling stories about growing up, especially where she chased the bull, I could see it in my mind.

*We laughed together, cried together, prayed together. Little did I know that last July would be the last time I saw her, or heard her voice. I treasure the memories. Thank you for sharing her. No words to express how I will miss her but I know I will see her again. My love and prayers to the family. I am honored to have known her.*

“Thank you for sharing your daughter with the rest of the world. She is honest, kind, and very dear. She and I worked together at the Lebanon Care Center here in MO for a few years, and we enjoyed her and her help at the annual Campmeeting services in July was always appreciated. We were pleased she was able to visit us so very recently down here--wish it could've been longer. We will comfort in knowing she is not only in our past, but in our future, if we love the Lord our God with all that we have. Remember, without forgiving one another, we cannot be forgiven, the scripture says. I believe Cindi did that. May the Lord heal you in your sorrow.

Love You.
