“ *Cinnamon will be missed by all, she had a smile that made you smile with her, She lived her life for her two boys, never thinking of what she might be missing in life for herself, they were on the top of the list. She loved her belated father Carl Sr. and thought so highly of her brother Carl Jr. I lived out od state from her so we didn't get to see each other often, but we stayed close with e-mails, pictures, phone calls and text messages and I will truly miss them all. I'll see you in Heaven, Love you, Cousin Tara*
