“ *Clancy always made me feel loved, and like I was part of his family...and in a way I was, but long before I knew those details I always felt his genuine warmth and strong devotion. He was a strong, Christian man and I'll be forever grateful for the influence and kindness he shed over my life.*

“ *Carol, I remember when we moved back out here and visited you; Clancy was the only thing you could talk about. Truly your soulmate. Now you've made lots of great memories together. I hope you can find comfort in thinking about those times. Clancy did indeed turn out to be a keeper. He could out dance any of us. And talk, he could fit into any crowd and make everyone feel you had known him his entire life. Goodbye Clancy, you added a light to this world.*
