“ From one Navy family to another, we send our condolences. You do not know us, but as a Navy mom who's son has returned from the service and recently started working at the Pontoon Amazon location, I have felt your loss deep in my heart. There is nothing that can be said to bring you comfort at this time, just know that we have been keeping your family in our prayers. Once a Navy mom, always a Navy mom, you have a nationwide network of mama bears that are praying and mourning with you.
