“ *Dear Ford and family, we are so sorry that we are unable to attend the services for Colleen. We are leaving today to go out of town for an event with our granddaughter. Colleen will be missed by all who were blessed to know her. Keep the good memories close to your heart. Our prayers and thoughts are with you all at this sorrowful time. May God bless you all and keep you strong.*

“ Living across the street from the Greens was the most memorable and awesome part of the Hillen kids childhood. Ford and Colleen were always so welcoming, fun and adventurous with all of us. From the home videos, to the blackberry picking (and cobbler making), to the space in the back yard to grow our own "garden" and build our own "clubhouse", to the homemade ice cream, to the drive in movies...sleep overs, swimming pool parties and so many more things...and I remember every year how much they loved Halloween. Not only did they decorate the house, but they both dressed up too...we thought that was so cool! Lisa, Ellen, Julie, John and Mr. Green, we loved Colleen and will remember her with heart-felt fondness - what an awesome lady! So sorry for the loss of this beautiful soul.

“ Colleen was a good friend and mentor. She loved animals and enjoyed petting our German Shepherd Dog Dori when she came to visit us. I will miss her greatly. Cathy Jackson
