“ Sincerest sympathy to the family. Cindy was a wonderful person and will be seriously missed! Known her since I was 8, grew up with her, was confirmed with her, and kept contact throughout her travels! God bless her and all who suffer her loss

“ My dear friend, you have inspired many with your perseverance and positive attitude as you dealt with things no one ever should have to go through. I'll remember your smile as we laughed and joked, and your encouragement when I thought my drawings weren't great. Each time I pick up a brush, pencil or pen I will think of you.
