“ *Dear Billy and Margaret,*

We dearly loved your folks, Dal and Rose. It was nice to go by and sit with them outside any evening; lots of interesting conversation! Dal was as good as they get, deep down to the bone. You two kids are a tribute to them and their raising you with their values. They were very proud of both of you, and glad Billy was able to help carry on the family business. They were part of the greatest generation and I know of no one taking the place of that generation.

Sincerely,

Bill and Nina Gross (Lageman neighbors)
