“ We were deeply saddened to hear of your loss.

Chris, we have grown fond of you over the past year. We know you brighten Chantal's day and treat her with great respect. We are very happy you've become part of our family. You know we are always here for you and Chantal. May the Lord be with you and your family through these tough times. Just know your mom loved you and she is now at peace.

Sherry, Donnie, Bill, Travis, Lexy and as I call her to the kids..gma(Sharon). I am so sorry for your loss and words can't explain the pain you are all going through at this time. We pray the love of God enfolds you during your difficult times and he helps you heal with the passage of time.

In darkness, The beauty of stars and constellations Will be admired all the more now Your dearest Dana is up there Shining like a bright star.
