“ *Hi Aunt Danette! I'm sure going to miss seeing you at family stuff. You were my favorite person to sit with outside. You were a people watcher and didn't ask a lot of questions but were always good for some jokes and a snarky comment about the people we watched. Sitting with you at any big event felt like sitting at home on a front porch with a friend relaxing. I appreciated that about you. You're going to be greatly missed. Love you* 💜💙
