“ *Darra Lynne Phelps well I called her moms. She tells me amazing stories of her past. The good, the bad happy, and sad. She makes me laugh all the time. One day when her and her daughter Tess just talk about each other. I'm surprised those two didn't have their own tv show together. Also she's a huge Cardinals fan. I told her one day that I was a Cubs fan. She gave me that evil look, and said Kevin ...now I gotta kill you. Lol I told her I was just kidding she laughed and I laughed. I will really miss her though and the laughs we had. RIH moms. Love ya. ❤️*

“ *I knew Lynne from church. She was a wonderful cook and you could always count on her to donate a big dish to a buffet - even if you called her at the last minute, and it was always one of the first ones gone!*

*She would also attend an auction here and there too. Mark & I would be there buying for the store. She always offered to help us cart stuff home if we couldn't get it all in our truck! Just a generous lady! My prayers to her family.*
