“ I am so sorry to hear of Duke's passing. We worked together for about 20 years. He was a great man and good friend. He sure loved his kids! He had a great sense of humor and could tell a good story.

“ My sincerest condolences to Dee and the boys. Duke was a good friend of mine for over forty years. We had a lot of good times as individuals and as families. I can never forget the fishing, golfing and hog roasts. To me, the world is a better place. God bless him, Dee and his extended family.
