“ *I remember when Uncle Bill and Aunt Carolyn came down to Georgia and came to one of my soccer games. Uncle Bill was zooming around the grass field with his mobile scooter without a care in the world! Until it broke down... and yet he was still smiling and laughing. He always put such a huge smile on my face! My condolences to you all during this difficult time. Love you all very much!*

“ Dear Carolyn & family,
My condolences to all during this difficult period. I have many memories with uncle Bill in the good ole days...summer holidays at the Ozarks on the boat; he is only person I know that can waterski without loosing hat & sunglasses. Bill gave me my first job when he and brother Jim had their auto parts biz. What a sweet job, they were on the road 4 out of 5 days! I will always cherish the period of time he spent in Atlanta with Chris, me & the girls.

RIP uncle Bill, Love ya!

P.S. I get to keep a little piece of him as I have his Highlander
