“ *Georgia,*
Sorry to hear of Dave's passing. Dave visited our plant throughout the years to help with safety and such at the Olney plant. We had a 2 sided desk at Olney or a railroad desk that Dave wanted. I remember he and his brother picked it up and were not quite sure how they were going to get in your basement. I always enjoyed Dave's visits. He was a great guy and friend. I will keep Dave and you in my prayers.

“ Georgia:

Debbie and I offer our our condolences. We know it's been a long battle for both of you. Dave was a great man and I'm sure he will be missed by his brother and sister and other family members.

“ Georgia -- I am so sorry to hear of this. Dave & I traveled and taught classes together in the early days of Prairie Farms' PSM compliance program. He was a great co-worker and very much appreciated and respected by the folks he worked with in the plants and branches.

All Blessings,

Dave Lattan
