“ *Debbie always had this wonderful way of being soft spoken and calm. I was blessed to have worked with her at Lewis and Clark and so very happy to have known her through those years. This is a sad moment for her family and her Lewis and Clark family who will miss her so very much. For those who will understand this, she is now rafting down the big river in the sky with our Lord and enjoying every minute with laughter and joy!! Debbie, you are the best!*
