“ *Sending prayers of endurance to the loved ones of Debbie. I unfortunately opened the obituary that my father had shared too late and missed the service. I am so sorry to not be there to show my respects. Debbie was a good woman and was nothing ever but nice to me. She is truly an Angel. Find comfort in knowing that the good Lord has beautiful plans for her. May He wrap His loving arms around you all during these times. Condolences to all. RIP Debbie...*

“ *Deb and I worked together for many years. We spent every lunch together, as well as, time together when we weren't at work. She was such a sweetie & had such a big heart. She loved Mike and all of her family. She will be sadly missed by everyone that ever met her. Our prayers are with Mike and her entire family. Rest in peace, my friend...*

“ *Debbie was a good friend of mine all through school and we also shared the same birthdate. I am so shocked by this news. My heart and prayers go out to Mike and all of the family. I was so much looking forward to seeing her again at class reunion. You may be gone from the earth dear Debbie, but you will live on in our hearts. Fly high*
