“ *My grandmother was Mrs. Kay's roommate for a short time at Rosewood and we were able to meet both Mrs. Kay and her son. She was a very nice lady and my grandma (as stubborn and picky as she was) was very fond of Mrs. Kay. My family sends our condolences to her family.*

“ Kay and my mom were the "Party Girls" at Rosewood together. MS Kay became a great friend to us both and we are both blessed to get to know her. I would take mom to visit her time to time and I want to thank you guys for sharing her with. She will forever have a special place in mine and my mom Janice's heart.
